THE GREATEST SHOW YET

of the nestest shows that has been here this season. The piece is a conglomeration of refined fun, and the actors and actresses are ladies and gentlemen who do their work in such a way as to call forth the greatest enthusiasm, not only for their artistic accomplishments, but for the easy grace which education and gentle feelings alone will give. They play to the higher and purer emotions of the human heart, and things that we would hiss if done in a bungling way they handle so perfectly and so naturally that the house is kept in a continuous roar. The house is kept in a continuous roar. The show from beginning to end is filled with irresistible surprises, and just as you make up your mind that it is a shame to laugh at such foolishness, off you go again worse than ever. There are but seven persons in the cast, but they are the liveltest little crowd that was ever seen on the opera house
